CELLULITE

Compression garments with exact sizing help to ensure continuous reduction in your (Waist, Hips, etc.) measurement. When garments feel loose, switch over to the lower size to ensure progressive reduction in your waist, hips & thighs measurement. CELLULITE is the term used to describe superficial pockets of trapped fat, causing uneven dimpling or "orange peel" skin.

V-Shaper

It takes the shape of the body and gives a firm compression on the abdomen and the waist, reducing the overall measurement quickly yet effectively.

WAIST SIZE	S	M	L	XL	XXL	XXXL
Inches	30-32	34-36	38-40	42-44	46-48	50-52
Cms.	75-80	85-90	95-100	105-110	115-120	125-130

Tummy Tight

It reduces abdomen measurement quickly and effectively. The compression at the abdomen and the lower abdomen leaves no space for any bulges.

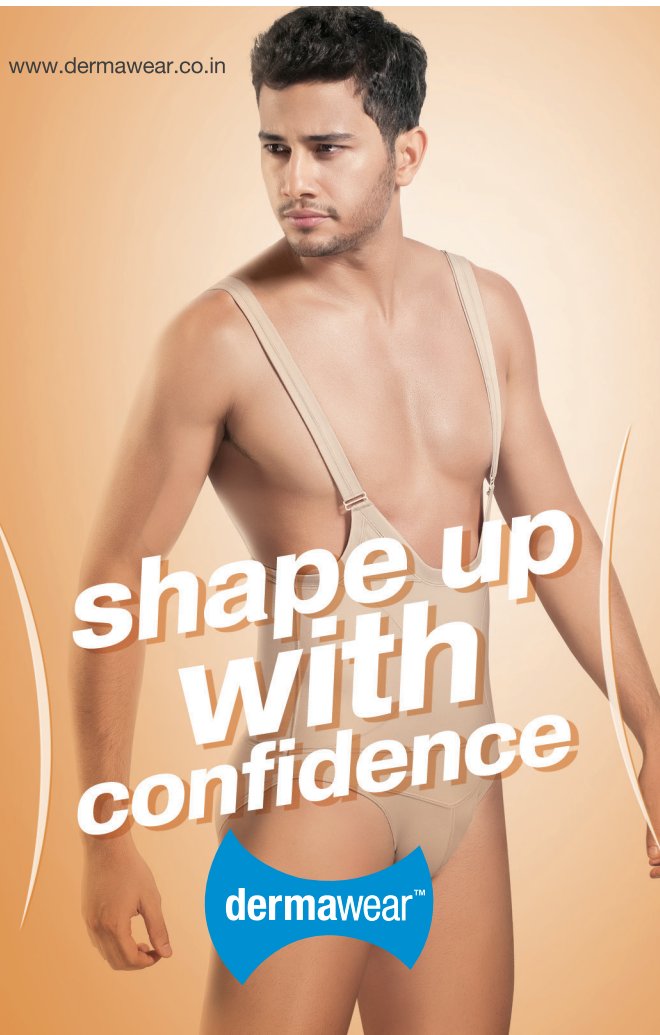

WAIST SIZE	S	M	L	XL	XXL	XXXL
Inches	30-32	34-36	38-40	42-44	46-48	50-52
Cms.	75-80	85-90	95-100	105-110	115-120	125-130

Wressler

Made with blended cotton and spandex, wressler, shapes the body. Its extra firm compression at the abdomen flattens out any bulges and gives the desired shape while the straps keep the pressure intact.

WAIST SIZE	S	M	L	XL	XXL	XXXL
Inches	30-32	34-36	38-40	42-44	46-48	50-52
Cms.	75-80	85-90	95-100	105-110	115-120	125-130
